

# Set the town Alight! – Winter or Snowy Townscape

## Free Machine Embroidery Workshop

Create a beautiful 3D wrap suitable for use with LED string lights or a battery operated tea-light candle. Using my hand painted fabrics and free machine embroidery.

### Each student will need:

Fabric for the houses* – 4 @ 16 x 7.5 cms*	Fabric for the roofs, path* - 1 @ 4 x 30 cms for the roof and 2 @ 4 x 30cms for the path / road / fore-ground. Or all 3 pieces in white felt for "snow".
Odd pieces of fabric for doors	Painted scrim (optional)
Lining fabric 30 x 25 cms	Organza (optional) 30 x 25cms
Bondaweb / Heat n Bond or similar. Maximum of 1 metre	Narrow ribbon - a maximum of 1 metre (optional)

**\*I use hand painted calico but commercially produced fabrics can be used if you wish.**

**I can provide all of the above for an additional charge of £12.50 per student.**

### Each student will also need to bring the following:

Potato or sweet potato and small sharp vegetable knife	Apron
Ruler	Extension lead
Basic sewing kit – fabric scissors, needles, pins, tape measure etc	Small sharp fabric scissors or a cutting mat and craft knife if you prefer.
Sewing Machine (and user manual) – you will be using free machine technique so will need an embroidery	Machine threads – a minimum of black, grey and white, but bring threads in your favourite colours as you will be choosing your own colour scheme.

foot and also a standard straight stitch foot.
